About Us
The Associated Schools of Construction is the professional association for the development and advancement of construction education, where the sharing of ideas and knowledge inspires, guides and promotes excellence in curricula, teaching, research, and service.

Membership
Build a professional network and join a vibrant association of construction practitioners through membership in the Associated Schools of Construction. Membership in the ASC can help position you for greater success through career-enhancing tools and resources.

Through member participation, ASC is able to build on the value of our profession in the academic and professional marketplace and fortify our commitment to excellence!

Membership Provides Connections To:
- Academic Job Announcements: https://www.ascweb.org/employment/view-jobs/
- More than 700 ASC Faculty members committed to excellence
- Leadership and volunteer opportunities
- Local, Regional, and International peers
- Construction industry professionals
- Current developments in construction education
- Top trends in the construction and building industry
- Construction education accreditation best practices

Membership Rewards:
- Publication opportunities and access to the International Journal of Construction Education and Research
- Publication opportunities and access to the ASC Conference Proceedings
- Exclusive discount on the annual ASC International Conference
- Opportunities to mentor student teams at Regional and Open Student Competitions
- Research Opportunities
- ASC Awards for Excellence in Teaching and Research

The Associated Schools of Construction is excited to announce that our 59th Annual ASC International Conference will be hosted by the Liverpool John Moores University (LJMU) from April 3rd-6th, 2023 in Liverpool, England!

**Responding to the Skills Challenge:**
**A Global Education and Research Agenda**

The conference will be held at the LJMU City Centre Campus on Byrom Street. There will be large auditoria, break-out rooms, workshop spaces and personal meeting rooms. The conference hotel is the INNSIDE Hotel Liverpool, with sufficient room to host almost all delegates with a short walk to the conference. There will be various beautiful venues for the evening events, such as the Isla Gladstone Conservatory in Stanley Park.

**About LJMU:**
- It is the School of Civil Engineering and Built Environment
- Ranked in the top 15 Built Environment Departments in UK Research Assessment Exercise
- Students have a rate of almost 100% employability upon graduation
- Strong International Footprint
  - Population of 25,000 students on campus and close to 6,000 students overseas

**Conference Schedule:**
- **Sunday, April 2nd, 2023:**
  - ASC Board Meeting
- **Monday, April 3rd, 2023:**
  - Registration, Exhibitor Set-up, Workshops, Site Visit with Wirral Waters, Welcome Reception
- **Tuesday, April 4th, 2023:**
  - Welcome/Keynotes, Regional Meetings & Awards, Posters, Paper Sessions, ASC Committees, Civic Reception
- **Wednesday, April 5th, 2023:**
  - Sigma Lambda Chi Breakfast, Paper Sessions, ASC Committees, Workshops, Keynote & Awards, Gala Dinner

We hope to see you in Liverpool in 2023!
